After School Program 2009 - 2010

Scholarship Application

Child's Name: _____

Family Size: _____

(Include parents or guardians and all children in the household under the age of 18)

Do you receive child support? Y / N

Scholarship Policy

CCC will provide income eligible scholarships to families with parents or guardians who are working or attending school full time (20 hours or more per week). These scholarships will be based on the Department of Early Education and Care's financial assistance sliding scale with a \$50 per week per child minimum. Scholarship amounts are subject to change. Families must submit a new scholarship application with current pay stubs every year.

Multiple Sibling Discount

For families that enroll more than one child CCC offers a reduced rate.

Full rate for first child

25% off for second child

50% off for all other children in the same family

Scholarships and sibling discounts can be combined, however there is a minimum fee of \$50 per child per week.

Documents

To process your scholarship application the CCC needs a copy of your **photo id**, copies of **birth certificates** for all children in your household under the age of 18, and four weeks of current **pay stubs**.

If you receive child support, CCC needs a copy of a state issued invoice verifying the amount you receive.
